# Churches

Equipped to Care

## June 27-29 • New Life Presbyterian – Escondido, CA

6 General Sessions | 21 Workshops | 3 Pre-Conferences

Our theme this year for the Summer Institute is  
**Churches Equipped to Care.**

At IBCD, our passion is that churches would be filled with people who care for one another and are equipped to help each other through life's struggles with the Word of God.

People often ask us, "How do we cultivate this atmosphere of one-another care in our own local church?" We've designed the 2013 Summer Institute to explore the various aspects involved in answering that question.

### Women's Pre-Conference (6/27: Thu 9-1:30)

Everyone, Christians included, knows what it's like to feel isolated and alone. The good news is that we aren't alone, and the gospel tells us why: Jesus, the Son of God, came to earth to be forever united with his people—to be one of us. In this series of talks, Elyse Fitzpatrick will flesh out the practical implications of our union with Christ and give us confidence that we are not alone in this life.
